**MAGUIRE AVIATION AND NETJETS® INC. SIGN DEAL FOR PRIVATE-USE FBO TERMINAL AT VAN NUYS AIRPORT**

COLUMBUS, OHIO– September 9, 2011– Maguire Aviation, a Van Nuys based FBO, and NetJets Inc., a Berkshire Hathaway company and the worldwide leader in private aviation, announced today the signing of a long-term lease that will provide NetJets with a dedicated, private terminal at Van Nuys Airport. The private-use facility will be custom-designed and operated to NetJets’ specifications and Owner preferences, enhancing NetJets’ ability to provide exceptional service to Owners and crews traveling through this popular domestic destination.

The project includes a 10,000 sq. ft. new terminal with modern amenities including a streamlined passenger transition to and from the aircraft ramp, modern furnishings, conference and business center capabilities, crew lounge and rest areas and flight planning facilities.

Alec Maguire, president of Maguire Aviation Group LLC said, “We are thrilled that NetJets will have a dedicated facility at Van Nuys Airport. NetJets is a world-class company with a reputation for superior safety and customer service and we are excited to partner with them on this project. This collaboration will allow Maguire to better serve NetJets while at the same time further solidifying our efforts to build Van Nuys Airport into the world’s premier private aviation facility.”

Todd Baumgartner, senior vice president of aviation infrastructure & services for NetJets stated, “Maguire Aviation shares NetJets’ dedication to safety and service and their exemplary infrastructure at Van Nuys Airport and extensive footprint on the airfield will provide NetJets with an outstanding facility. This facility will be customized for NetJets and will provide our Owners with exceptional service and amenities at one of their most popular destinations.”

Construction of the new facility is expected to be completed in summer of 2012.
